

FOCUS on SCHOOLS

Nobody wants to make parents choose between buying food for their children or buying them school supplies! Now through August, the FOCUS Interfaith Food Pantry will be collecting and distributing school supplies for the children who use the Food Pantry. That way, their parents' food money can continue to buy them food. *Will you help?*

We need school supplies for children from Kindergarten through high school. Please bring your contributions to your faith community through July. During August, bring them to the FOCUS Food Pantry (west entrance), 275 State Street, Albany.
